

Dear Parents,

We will be having our field trip on March 24, 2020 to Glen Echo Park to see the performance, The Snowy Day. We are able to take 4 parents per classroom on this field trip as volunteers. If we have more than 4 parents interested we will be doing a lottery on February 28th to pick the volunteers we bring with us. Please make sure you have sent the permission slip in by then if you are interested in volunteering. If you are selected, we will ask for the cost of admission to be sent to school with your child. The cost of admission for volunteers is \$11.00.

If you are not selected as a volunteer and would still like to attend you may purchase your tickets through <https://adventuretheatre-mtc.org/shows/professional-shows/> for March 24th at 10:30 and meet us there. Tickets sell out quickly so please purchase in advance. You will need to have completed the volunteer training for MCPS if you plan on attending with us.

Please remember to send a bag lunch with your child on Tuesday, March 24, 2020.

Thank you very much! We look forward to a wonderful field trip!

The First Grade Team
